Dear Commisisoner,

I am a student at Eldorado High School and I've read Upton Sinclair's The Jungle. I am aware that in 1906 the first food and drug act was passed, which stated down cows are not to be processed in the food industry and they still are. I am for the Downed Animal Protection Act 98P-0151/CP1 and I hope you will pass this bill.

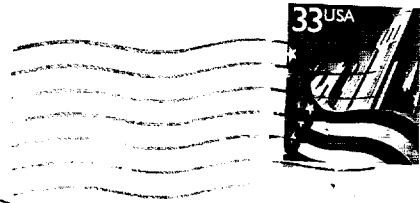

Sincerely,
